

Renewing Your Certification Status

All Oregon State approved HCI letters (Qualified and Certified are valid for 4 years from the date of issue (OAR 333-002-0140 and 333-002-0150). Qualified letters are not renewable for languages that have certification exams available, namely Arabic, Cantonese, Korean, Mandarin, Russian and Spanish. Please note that while there is a Vietnamese certification exam, Vietnamese interpreters can now renew their HCI letters and registry enrollment by completing only their 24 hours of continuing education. Vietnamese interpreters can choose to take their certification exams, but it is not required for Oregon HCI renewal.

Since you are renewing your certification, you are required to complete 24 hours of OHA approved continuing education classes.

All Certified HCI's must complete 24 hours of OHA approved continuing education (CEU):

- Six hours of health care interpreter ethics
- Six hours of interpretation skills
- Twelve hours of any topics approved by the National Board for Certification of Medical Interpreters (NBCMI) or the Certification Commission for Healthcare Interpreters (CCHI)

Please see the Local Continuing Education Resources below:

- Medical Interpreting Training School (<https://medicalinterpretingtrainingschool.com>)
- Oregon Health Care Interpreters Association (<http://ohcia.org/ceinfo>)
- Master Word (<https://store.masterword.com>)
- CCHI CEAP (<https://ceapcchi.org/FindAProvider>)

Approved CEUs from the following organizations will be accepted by OHA for the renewal of HCI letters:

- Certification Commission for Health Care Interpreters (CCHI),
- International Medical Interpreters Association (IMIA)
- American Translators Association (ATA)
- Oregon Judicial Department (OJD)
- Registry of Interpreters for the Deaf (RID)
- Washington State (DSHS)
- Oregon Health Authority, Office of Equity, and Inclusion (OHA/OEI)

Step 1:

Complete your required continuing education hours

WORKING WITH PATIENTS WITH SENSORY PROCESSING DISORDERS

CEU TUITION \$39

The program is assessed solely on attendance. Students must attend the full class to receive credit. Certificates will be emailed within 1 week.

Gaucha Translations is offering 2021 OHA Continuing Education for Healthcare Interpreters. Due to the financial difficulties encountered by interpreters in 2020, as documented in several surveys, this training will be offered at no cost in 2021. The below training is OHA, and ATA approved.

Schedule

Tuesdays (May 25, June 1, and June 8) and **Thursdays** (May 27, June 3, and June 10) from 6:30 pm to 8:30 pm.

Scope

This series focuses only on the CE credits required by the OHA that interpreters have reported they can't find easily. OHA requires that interpreters take 6 hours of CE in ethics and 6 hours of CE in skills every renewal period.

Online interactive training. No recordings.

This training will be provided **online**. The link will be sent to participants after verifying their qualifications.

All sessions will be interactive. Therefore, there will be **no recordings**. Interpreters will be working in breakout rooms in all sessions to practice the skills or have small group discussions.

Participants who need special accommodations should email helen@gauchatranslations.com to discuss their needs. The organizer and the participant will work together to find a reasonable way to meet their needs.

Date: Tuesday May 25, 2021 6:30 PM – 8:30 PM OHA: 2.0 CEUs ATA approved Cost **FREE**

This session will provide an overview of the ethical principles of interpreting and apply them to interpreting scenarios. Participants will review the National Council on Interpreting in Health Care (NCIHC) Code of Ethics and Standards of Practice and will review and evaluate sample interpreting encounters based on the application of NCIHC ethical principles. When problem areas are identified in the scenarios, students will problem-solve: how could the interpreter in the scenario better adhere to ethical principles during the encounter?

Interpreters will be practicing in breakout rooms by language.

Date: Thursday May 27, 2021 6:30 PM – 8:30 PM OHA: 2.0 CEU's ATA Approved Cost **FREE**

Skills: Introduction to remote interpreting.

This session will review the differences between in person interpreting and remote interpreting, so interpreters can adjust to the different modalities in which they offer their services.

Participants will explore the technical requirements of remote interpreting and consider how to overcome the limitations implicit in not being physically present at an event. Interpreters will be practicing in breakout rooms by language.

Ethics: Appropriate advocacy in health care interpreting.

The advocacy clause of the NCIHC code of ethics has recently been updated. ([Main document](#), [decision-making chart](#))

This course will dive into advocacy in the interpreting encounter, how it fits into the interpreting role, and when and how to step into (and out of) the advocacy role. Participants will review advocacy as an NCIHC ethical principle and familiarize themselves with language access legislation intended to protect the safety of LEP patients in the interpreting encounter, which can be used to support patient safety.

Interpreters will be practicing in breakout rooms by language.

Skills: Onsite interpreting skills: sight translation, audio translation, sending material home in the language of the non-English speaker.

When interpreting onsite, interpreters often help patients fill out forms in English while the patient speaks in the non-English language ([audio translation](#)). Interpreters also provide sight translation, which can be used to record a patient's visit summary, or the instructions given by the healthcare practitioner.

Interpreters will be practicing in breakout rooms by language.
